opposition to Black freedom *Embracing Emancipation* tackles a perennial question in scholarship on the Civil War era Why
did Irish Americans who claimed to have been oppressed in Ireland so vehemently opposed the antislavery movement in the
United States Challenging conventional answers to this question that focus on the cultural political and economic
circumstances of the Irish in America *Embracing Emancipation* locates the origins of Irish American opposition to antislavery
in famine era Ireland There a distinctively Irish critique of abolitionism emerged during the 1840s one that was adopted and
adapted by Irish Americans during the sectional crisis The Irish critique of abolitionism meshed with Irish Americans belief
that the American Union would uplift Irish people on both sides of the Atlantic if only it could be saved from the forces of
disunion Whereas conventional accounts of the Civil War itself emphasize Irish immigrants involvement in the New York City
draft riots as a brutal coda to their unflinching opposition to emancipation Delahanty uncovers a history of Irish Americans
who embraced emancipation Irish American soldiers realized that aiding Black southerners attempts at self liberation would
help to subdue the Confederate rebellion Wartime developments in the United States and Ireland affirmed Irish American
Unionists belief that the perpetuity of their adopted country was vital to the economic and political prospects of current and
future immigrants and to their hopes for Ireland s independence Even as some Irish immigrants evinced their disdain for
emancipation by lashing out against Union authorities and African Americans in northern cities many others argued that
their transatlantic interests in restoring the Union now aligned with slavery s demise While myriad Irish Americans
ultimately abandoned their hostility to antislavery their backgrounds in and continuously renewed connections with Ireland
remained consistent influences on how the Irish in America took part in debate over the future of American slavery **T.
