Organizational and planning strategies help you get through the process quickly and with fewer headaches and this year's changes to the tax laws are explained in terms of how they affect your filing. Keeping up with the intricacies of tax law and filing is a full-time job but it's not your full-time job. You have a business to run. This book gives you the guidance you need in the time that you have so you can get taxes out of the way and get back to work. Learn which expenses qualify for deductions and which ones don't. Adopt a more organized recordkeeping system to streamline the filing process. Explore small business-specific strategies for starting or closing a business, running a sideline business, and operating in multiple businesses. Decode the various forms and worksheets correctly with step-by-step guidance. Review obligations for the other taxes including payroll and excise taxes. Every year millions of small business owners overpay their taxes because they lack the time and expertise to make tax-sensitive business decisions throughout the year, only to learn that it's too late to act when it comes to tax time. Now you can put your money back where it belongs in your business. J.K. Lasser's *Small Business Taxes 2018* helps you take wise actions during the year and tells you how to file completely and accurately while maximizing your bottom line.

J.K. Lasser's Small Business Taxes 2016 Barbara Weltman, 2015-10-08 Stop overpaying on your small business taxes. J.K. Lasser's *Small Business Taxes 2016* helps small business owners maximize their bottom line with straightforward yet comprehensive guidance from the most trusted name in tax. Featuring a complete listing of all available business expense deductions including dollar limits and record-keeping requirements, this book helps you quickly determine what kind of tax relief is available to you and how to take it all the way down to where to claim deductions on the forms themselves. Tax facts, strategies, and the latest up-to-date information help ensure that you don't miss out on money-saving opportunities, and sample forms and checklists help you get organized and submit a complete and proper filing. You're an expert on your business, not on taxes. But you still have to pay them. Millions of small business owners pay too much because they lack the time and expertise to identify deductions designed with them in mind. This book aims to put a stop to overpayment in 2016 so you can put more of your time and money back where it belongs. Simplify tax time and focus on your business. Reduce your tax bill easily and legally. Find the answers that are relevant to your business. Understand deductions and how to take them properly. As a small business owner, your plate is full just keeping your business going. You don't have the time or energy to start a second career as a tax accountant, yet you don't want to overpay the IRS when that money could do great things for your business. J.K. Lasser's *Small Business Taxes 2016* is your solution manual for a streamlined tax time and substantial tax savings.
