Faith-Based Fraud Warren Cole Smith, 2021-05-04 A leader of Ministry Watch examines how cases of abuse and financial corruption have hurt the church and how to bring back integrity We live in a secular skeptical and cynical age Many Americans have lost faith in institutions including the church Although the vast majority of Christian leaders serve faithfully examples of financial fraud greed sexual and emotional abuse and other systemic problems are almost everyday occurrences And a watching world has a right to ask even those who are faithful ministers of the Gospel If you knew this was happening why didn't you say something Whether or not honest and above board Christian leadership like it in the eyes of the world our silence makes us complicit That's why this vital book takes a clear eyed look at scandals in the church from Jim and Tammy Bakker's PTL Network to Mark Driscoll Todd Bentley David Jeremiah and Bill Hybels It is an answer to those who say that the silence of Christian leadership is approval And although this book is sometimes tough on the church and its leaders its purpose is not to tear down the evangelical church but to restore it to its rightful place of influence in the culture and in the lives of people who desperately need its message of grace and truth Explains why shining sunlight on churches and ministries in America is important Paul Glader Director of the McCandlish Phillips Journalism Institute The King's College

*Transnational Capitalism in East Central Europe's Heavy Industry* Aleksandra Sznajder Lee, 2016-05-18 Focusing on the steel industry during the post communist transition from 1989 through 2009 Aleksandra Sznajder Lee traces the transformation of flagship state enterprises in the Czech Republic Poland Romania and Slovakia into the subsidiaries of large international corporations By analyzing this transformation at the three levels of enterprise sector and national international nexus she identifies the players from international investors and European Union members to national labor unions and local industry managers in the political economy of reform Even in the midst of the transition to a capitalist democratic system Sznajder Lee finds the state plays a key role in mediating between domestic vested interests and external pressures from international financial markets and institutions on the one hand and regional institutions on the other Whereas state power may be employed to require domestic firms to operate as capitalists in the international market it may also be used to shield enterprises from market pressures in order to promote the political and personal preferences of the elite This book has broad implications for the political economy of reform because it illuminates the political determinants of privatization and the resources used to resist it In addition Sznajder Lee sheds new light on why some countries are more likely than others to be subject to external constraints such as IMF conditionality and how some allegedly pro market

reformers manage to maintain public ownership over certain industry sectors

*Prosodic Theory and Practice* Jonathan Barnes, Stefanie Shattuck-Hufnagel, 2022-02-08 An introduction to the the range of current theoretical approaches to the prosody of spoken utterances with practical applications of those theories Prosody is an extremely dynamic field with a rapid pace of theoretical development and a steady expansion of its influence beyond linguistics into such areas as cognitive psychology neuroscience computer science speech technology and even the medical profession This book provides a set of concise and accessible introductions to each major theoretical approach to prosody describing its structure and implementation and its central goals and assumptions as well as its strengths and weaknesses Most surveys of basic questions in prosody are written from the perspective of a single theoretical framework This volume offers the only summary of the full range of current theoretical approaches with practical applications of each theory and critical commentary on selected chapters The current abundance of theoretical approaches has sometimes led to apparent conflicts that may stem more from terminological differences or from differing notions of what theories of prosody are meant to achieve than from actual conceptual disagreement This volume confronts this pervasive problem head on by having each chapter address a common set of questions on phonology meaning phonetics typology psychological status and transcription Commentary is added as counterpoint to some chapters with responses by the chapter authors giving a taste of current debate in the field Contributors Amalia Arvaniti Jonathan Barnes Mara Breen Laura C Dilley Grzegorz Dogil Martine Grice Nina Gr nnum Daniel Hirst Sun Ah Jun Jelena Krivokapi D Robert Ladd Fang Liu Piet Mertens Bernd M bius Gregor M hler Oliver Niebuhr Francis Nolan Janet B Pierrehumbert Santitham Prom on Antje Schweitzer Stefanie Shattuck Hufnagel A E Turk Yi Xu
