Miller-Nobles, Brenda Mattison, Ella Mae Matsumura, 2015-01-26 From the publisher Expanding on proven success with Hornsgren's Accounting

Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The eleventh edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy.

Accounting Principles Jerry J. Weygandt, 1998-12-08. This text is an unbound binder-ready edition. Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to readers. Updates to this edition include updated currency of feature stories and new financial accounting videos. The new edition will focus on current examples and features that engage and motivate readers. A Chapter 0 feature in the preface of the new edition will prepare readers for the rigors of financial accounting with remedial coverage of business skills and resources. Wild, 2016. **Accounting Principles** Jerry J. Weygandt, Ph.D., CPA, Jerry J. Weygandt, 2004-07 Edition. After edition ACCOUNTING PRINCIPLES consistently rates highest in customer satisfaction. The new Seventh Edition continues to effectively address the issues that both instructors and students find important: student success, student motivation, student problem-solving skills, student decision-making skills, and technology to assist teaching and learning. In preparing the new Seventh Edition, the authors surveyed the market, talked personally to instructors, and held focus groups with professors and students. They heard again and again that the biggest challenges students continue to face are to become motivated to learn how to study and to manage their tasks. With this input, the authors have fine-tuned and improved one of the most successful Accounting Principles texts ever published. Get a better grade with eGrade Plus.
