Holocaust Testimonies

Lawrence L. Langer,1993-01-27 Annotation This important and original book is the first sustained analysis of the unique ways in which oral testimony of survivors contributes to our understanding of the Holocaust Langer argues that it is necessary to deromanticize the survival experience and that to burden it with accolades about the indomitable human spirit is to slight its painful complexity and ambivalence *Managerial Accounting* Linda Smith Bamber,Karen Wilken

Braun,Walter T. Harrison,2008 The Bamber System of instruction replicates the classroom experience by providing more I get it moments outside of class For Introductory Undergraduate Managerial accounting course We ve talked to tons of Managerial Accounting instructors and our editors have even taken the Managerial accounting course numerous times to figure out the following issue in this course that is consistent Students understand or Get It right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help or they just quit and get behind in the course On top of this you can end up getting behind in the course as well in order to keep everyone on track The Bamber system helps to recreate the I Get It moments outside of class keeping you and the students on track **Accounting**
