The sixth edition fully integrates all the latest FASB Standards and the authors are committed to keeping you updated with all relevant content changes throughout the edition.

Accounting Charles T. Horngren, Walter T. Harrison, M. Suzanne Oliver, 2012. For Principle of Accounting Courses. Sole Proprietorship. The trusted choice for I Get It moments. With its tried and true framework and respected author team, Horngren, Harrison, Oliver's *Accounting* when combined with MyAccountingLab is the trusted choice for instructors and students of Principles of Accounting. The ninth edition preserves the classic solid foundation of the previous editions while also including a modern and fresh teaching approach that helps students understand the complexities of accounting, giving them more I Get It moments.

Accounting for Decision Making and Control Jerold L. Zimmerman, 2009. *Accounting for Decision Making and Control* provides students and managers with an understanding and appreciation of the strengths and limitations of an organization's accounting system, which allows them to be more intelligent users of these systems. The 6th edition provides a framework for thinking about accounting systems and a basis for analyzing proposed changes to these systems. The text demonstrates that managerial accounting is an integral part of the firm's organizational architecture, not just an isolated set of computational topics. This new edition has improved its readability and accessibility to students.
