Accounting Policies and Procedures Manual Bizmanualz, 2004

Accounting Policies and Procedures Manual Easily create your accounting Policy Manual to Control Cash Assets Purchasing and Department Administration Procedures. This Manual can help you quickly create and implement a system of accounting policies and procedures. These easily editable procedures provide the internal control needed to protect your business as well as comply with generally accepted accounting practices and regulations like Sarbanes Oxley. Thoroughly researched and reviewed by industry experts, these pre-written policies and procedures are based on years of experience in areas such as travel and expense, receiving, procurement, purchasing, shipping, auditing, accounts payable and receivable and cash drawer practices. Developing policies and procedures are listed as a key control activity in the COSO publication Internal Control Integrated Framework. The Securities and Exchange Commission (SEC) and the Public Company Accounting Oversight Board (PCAOB) both point to this COSO document as an example of internal controls that comply with Sarbanes Oxley requirements. Designed for busy professionals like CFOs, Controllers, Accounting Managers and Business Owners, the Accounting Policies and Procedures Manual can save you hundreds of hours in research, development, writing and review of needed procedures for control and compliance. It will improve business performance by developing consistency and standards. It contains 39 accounting procedures that cover over 150 accounting activities, 54 supporting accounting forms and a guide to embezzlement prevention. This new edition also includes updated and complete job descriptions for every job referenced in the text. There is no need to start from scratch; it has already been done for you.
