Fundamentals of Financial Accounting Fred Phillips,Robert Libby,Patricia A. Libby,2011-01 Introduction to Financial Accounting Henry Dauderis,David Annand,2019 This textbook originally by D Annand and H Dauderis was intended for a first course in introductory financial accounting It focuses on core introductory financial accounting topics that match pre requisite requirements for students advancing to Intermediate Financial Accounting A corporate approach is utilized versus beginning with a sole proprietorship emphasis and then converting to a corporate approach this consistency throughout the book reduces confusion for the introductory student This most recent revision by D Marchand converted the text from IFRS to reflect the Generally Accepted Accounting Principles of the United States U S GAAP **Workbook/Study Guide for Use with Managerial Accounting, 6th Canadian Edition** Michael Hockenstein,2004 *The Enlightened Accountant* Gennaro Cuofano,2016-01-15 In the modern world things change so fast that after a blink of an eye the world seemed changed Few things remained unchanged and one of these is accounting Of course few frameworks have been created over the 20th century to tackle issues such as fraud and transparency Indeed although the basic method of accounting remained the same many people do not approach the discipline and look at it almost with a skeptical eye As if the understanding of it is reserved to few wise men part of a small circle These men use their own language to communicate This language so strange and intriguing gives offspring to the financial organization of any business small or big individual or multinational In this book we are going to burst this myth After working for few years in the Accounting and Finance Field as Financial Analyst and Assistant Controller I understood that many times accountants do not want to be understood My aim instead is to make Financial Accounting accessible to anyone
