The DJ Chronicles - A Life Remixed Aaron John Traylor, 2003-11 As I stood at the faucet I was caught by my own reflection in the mirror At least I thought it was mine I didn't recognize my own face My cheeks were gaunt and pale my eyes were bloodshot and there were dark circles under each one Looking down I realized that my belt went in two extra notches and my previously form fitting shirt was draping over my wilting frame Way to go Aaron I thought to myself This time it's Eddie Next time it'll be you Based on the true story of America's Tallest DJ AARON TRAYLOR this book takes the reader inside the world of a legendary disc jockey At 18 he reached the top of the charts as one of the most listened to DJs in a large American city From corporate radio to dingy nightclubs and sweaty underground raves a decade in the limelight brought little of the joy and glamour he expected and much that he would later regret failed relationships the death of a friend and empty dreams This is the story of a seeker of enlightenment through music alone Then one desperate day a vision and a voice led him to his true calling
