The Bad Boy Billionaire: What a Girl Wants Maya Rodale,2014-05-13 The third installment of a sexy whirlwind romance about a modern day heroine writing historical novels based on her romantic misadventures with the Bad Boy Billionaire Jane Sparks had it all almost Everyone knew that Jane Sparks had been dumped by her high school sweetheart and fired from her job which is why she was really looking forward to attending her high school reunion as a successful romance novelist with her hot billionaire boyfriend as a date But a violent encounter with her ex boyfriend changed everything Duke Austen was the luckiest guy in town almost Duke Austen is a blue eyed charmer with a bad boy reputation and ambitious plans for his future after two failed startups this tech entrepreneur is about to celebrate the 20 billion dollar IPO of his company but it no longer matters when the woman he loves has been hurt Stranded in his apartment during a hurricane without power they must rebuild their trust and fall in love all over again Just when they have it all figured out Jane and Duke are forced to decide what matters more facing her past or celebrating his successful future Radio Journalism in America Jim Cox,2013-04-06

This history of radio news reporting recounts and assesses the contributions of radio toward keeping America informed since the 1920s It identifies distinct periods and milestones in broadcast journalism and includes a biographical dictionary of important figures who brought news to the airwaves Americans were dependent on radio for cheap entertainment during the Great Depression and for critical information during the Second World War when no other medium could approach its speed and accessibility Radio s diminished influence in the age of television beginning in the 1950s is studied as the aural medium shifted from being at the core of many families activities to more specialized applications reaching narrowly defined listener bases Many people turned elsewhere for the news And now even TV is challenged by yet newer media The introduction of technological marvels throughout the past hundred years has significantly altered what Americans hear and how when and where they hear it **At Home in the City** Stacy Torres,2025 Uncovers how people aged 60 and older struggle survive and

thrive in twenty first century urban America To understand elders experiences of aging in place sociologist Stacy Torres spent five years with longtime New York City residents as they coped with health setbacks depression gentrification financial struggles the accumulated losses of neighbors friends and family and other everyday challenges The sensitive portrait Torres paints in *At Home in the City* moves us beyond stereotypes of older people as either rich and pampered or downtrodden and frail to capture the multilayered complexity of late life These pages chronicle how a nondescript bakery in Manhattan served as a public living room providing company to ease loneliness and a sympathetic ear to witness the monumental and mundane struggles of late life Through years of careful observation Torres peels away the layers of this oft neglected social world and explores the constellation of relationships and experiences that Western culture often renders invisible or frames as a problem *At Home in the City* strikes a realistic balance as it highlights how people find support flex their resilience and assert their importance in their communities in old age
