The Climate Chronicles Joe Bastardi,2018 Bastardi s love for the weather and climate drove him to write The Climate Chronicles an expose of the true climate change agenda By drawing on many of the over 150 blogs and articles he has written on the matter he shows how weather and climate are being weaponized politicized and in reality distorted by academia media and even religious leaders to advance a cause that is counter to our nation s best interests A must read for anyone that loves weather and climate and the freedoms that are being attacked in our country today and is curious enough to question what they are being told
