The Art of Social Media Guy Kawasaki, Peg Fitzpatrick, 2014-12-04 By now it's clear that whether you're promoting a business, a product, or yourself, social media is near the top of what determines your success or failure. And there are countless pundits, authors, and consultants eager to advise you. But there's no one quite like Guy Kawasaki, the legendary former chief evangelist for Apple and one of the pioneers of business blogging, tweeting, Facebooking, Tumbling, and much, much more. Now Guy has teamed up with Peg Fitzpatrick, who he says is the best social media person he's ever met, to offer *The Art of Social Media*, the one essential guide you need to get the most bang for your time, effort, and money. With over one hundred practical tips, tricks, and insights, Guy and Peg present a bottom-up strategy to produce a focused, thorough, and compelling presence on the most popular social media platforms. They guide you through steps to build your foundation, amass your digital assets, optimize your profile, attract more followers, and effectively integrate social media and blogging. For beginners overwhelmed by too many choices, as well as seasoned professionals eager to improve their game, *The Art of Social Media* is full of tactics that have been proven to work in the real world. Or, as Guy puts it, great stuff, no fluff.

Little John Crow Ziggy Marley, Orly Marley, 2021-11-02 After being abandoned by his animal friends, Little John Crow must come to terms with what it means to be part of a community when you are a vulture. *Little John Crow* is full of energy and color. People Magazine. A new children's book by Ziggy Marley and his wife Orly aims to educate youth on the threats the birds face and the vital ecological role they play. Audubon Magazine. *Little John Crow* is a young vulture growing up in Bull Bay on the edge of the Blue Mountains in Jamaica, where he lives with his loving parents, Sharil and Rusil Crow. He spends his days playing with his friends, a motley group that includes a snake, George, Missy, the French pigeon, Chiqueen, a chicken hawk, Hummy, the hummingbird, and the Three Little Birds. One morning while the group of friends is relaxing by a cool river, they start chatting about life, their parents' jobs, and what they want to be when they grow up. As the conversation continues, Little John Crow realizes he has no idea what his parents do for work. Little John Crow and his friends set out to solve this mystery, but what they discover shocks them. Little John Crow and his vulture parents are scary scavengers. Most of his friends are disgusted when they learn this, and before Little John Crow can even adjust to this news, a terrible tragedy strikes. Feeling lonely and isolated from his friends, the young vulture flees Bull Bay. After traveling for days, a tired and hungry Little John Crow is fortunate to be found by a group of vultures. With their support and encouragement, the young vulture learns to embrace his future, and after months away, he returns to Bull Bay just in the nick of time to save his home from ruin. Filled with humor and memorable characters, *Little John Crow* reminds us of the importance of accepting our differences and remembering that life offers a place and purpose for all of us.
