Timeless Heritage, 1988 **Astronomy Adventures and Vacations** Timothy Treadwell, 2017-03-29 This astronomy travel guide examines the many wonderful opportunities for experiencing the observing hobby Amateur astronomy is often consigned to observing from home or from a local park yet it can be much more Tim Treadwell explores all the possibilities of astronomical and space related activities that are available on day trips and longer vacations These activities range from observatory visits and other simple ways to build an astronomy event into a holiday to full blown specialized astronomy travel Many trips give the opportunity to visit some of the world's famous attractions On most vacations it can be a matter of just taking a day or night out of your schedule to fit in an astronomy event but larger dedicated pilgrimages are also possible How to make the most of astronomy potential on a holiday whether observing on the beach in Hawaii with the Telescope Guy or visiting Star City in Russia is covered in detail Go to a star party explore the national parks or see the northern lights There are a wide variety of activities for all budgets described in this book

Sierra Stories Gary Noy, 2014 Stories of characters who enlivened the SIERRA NEVADA and created the basis of many legends and tales Features names and places of the formidable high country and lands adjoining

Fire in Montana Greg Martin, 2006-05 In the summer of 1949 fifteen smokejumpers parachuted into a remote Montana canyon called Mann Gulch It started as a very small fire in rugged country but within two hours after landing thirteen of these young men were caught in a raging inferno and were killed They died bravely together with their friends and in the service of their country Everyone was young and attractive healthy and strong enthusiastic and in love They were bursting into the prime of their lives There were no malcontents here Everyone did their best but events overtook them Until

now the actual time line has never been connected to the people involved Fire in Montana connects the lives of young smokejumpers who lived with a joy of life and expectations of shining futures the forest rangers and volunteers who fought valiantly to rescue them and their families lovers and friends who were forced to wait and pray then face the devastating and heart wrenching loss

Deep Water Jacques Leslie,2007-05-15 If the wars of the last century were fought over oil the wars of this century will be fought over water Ismail Serageldin The World Bank The giant dams of today are the modern Pyramids colossally expensive edifices that generate monumental amounts of electricity irrigated water and environmental and social disaster With *Deep Water* Jacques Leslie offers a searching account of the current crisis over dams and the world's water An emerging master of long form reportage Leslie makes the crisis vivid through the stories of three distinctive figures Medha Patkar an Indian activist who opposes a dam that will displace thousands of people in western India Thayer Scudder an American anthropologist who studies the effects of giant dams on the peoples of southern Africa and Don Blackmore an Australian water manager who struggles to reverse the effects of drought so as to allow Australia to continue its march to California like prosperity Taking the reader to the sites of controversial dams Leslie shows why dams are at once the hope of developing nations and a blight on their people and landscape *Deep Water* is an incisive beautifully written and deeply disquieting report on a conflict that threatens to divide the world in the coming years

Way Past Worried Hallee Adelman,2020-10-01 Sometimes being worried can keep you from having fun Brock is worried *Way past worried* with his heart thumping and his mind racing Today is his friend Juan's superhero party and he's going all by himself What if nobody plays with him What if everyone laughs at him Brock doesn't feel like a superhero but what if he can save the day and find a way past worried all by himself This engaging story speaks to kids emerging emotional intelligence skills and helps them learn to manage worry
