original book tells the story of how five American pilots contended for personal glory in the Pacific while leading Kenney's resurgent air force against the most formidable enemy America ever faced. The pilots Richard Bong, Tommy McGuire, Neel Kearby, Charles MacDonald, and Gerald Johnson riveted the nation as they contended for Rickenbacker's crown. As their scores mounted, they transformed themselves from farm boys and aspiring dentists into artists of the modern dogfight. But as the race reached its climax, some of the pilots began to see how the spotlight warped their sense of duty. They emerged as leaders beloved by their men as they chose selfless devotion over national accolades. Teeming with action all across the vast Pacific theater, *Race of Aces* is a fascinating exploration of the boundary between honorable duty, personal glory, and the complex landscape of the human heart. Brings you into the cockpit of the lethal, fast-paced world of fighter pilots. Fascinating.
