different artists giants of the genre including Russ Heath John Severin Bernie Krigstein Joe Maneely Jerry Robinson Steve Ditko and Jack Kirby Each page has been meticulously restored from its first printing by comic art restorer Allan Harvey

Atlas at War covers the brutal pre code period where graphic depictions of war action were rendered by artists who were World War II veterans themselves as well as the post code period where code restrictions forced creators to tell stories without graphic violence but produced some of the most beautiful comic art of the genre In addition to the artists stories cover all aspects of war from famous campaigns weaponry and personal soldier stories to political topics Nazi atrocities and even one story tinged with pre code horror Often overlooked in favor of its competitors Atlas at War will finally show that Atlas war titles were second to no one
