

1. Connecting the Projector

Connect the USB connector to your computer and plug the USB connector to the projector. If you want a brighter display, plug two USB connector to your computer.

Note: It is recommended that you should plug the two USB connectors on the same side of the computer to get the best performance. Please make sure that your computer is capable of supplying sufficient current through the USB ports.

Note: If only one USB port is available, use the Master USB connector.

2. Software Installation

When you first plug in your projector, the built-in software will automatically run. Select "Run AcerDetection.exe" to complete installation.

If the software does not auto run, open your file manager and click on the "Acer DisplayPal" drive and click on the "Acer DisplayPal_Setup.exe" to complete the installation.
