

Student Information Sheet

What is the HAST-P test for?

HAST is a selection test used by schools to identify academically gifted students for participation in accelerated learning or enhancement programs. Secondary schools throughout Australia use the HAST test to select students for gifted programs. This is the primary version of the same test. The HAST tests are designed and marked by the Australian Council for Educational Research (ACER).

What information do I need from the school?

Once your school decides to run the HAST-P you will be given a test date and time for the test. You will also be told where the test will take place.

What should I take to the test?

- two **HB** or **B** pencils for the multiple-choice tests.
- a good quality eraser
- a pencil sharpener
- two blue or black pens for the Writing test.

No other equipment will be needed. For example, you will not require a ruler, paper or calculator.

It is also a good idea to take a water bottle and snacks for the breaks.

How do I write my answers?

You will be given a special answer sheet for the multiple-choice tests in Reading Comprehension, Mathematical Reasoning and Abstract Reasoning, and lined paper for the Writing test.

For each question there are four small circles labelled A, B, C and D on the multiple choice answer sheet. Use a HB or B pencil to colour in the circle of your choice.

Example (Answer 'B' selected)

If you wish to change your answer, carefully rub out the first mark and then mark your new choice. Please remember, when working on the multiple-choice answer sheet:

Do not:

- × fold or tear the answer sheet
- × make marks anywhere other than in the designated areas on the answer sheet
- × use ink, ball-point pen or felt pen on any part of the answer sheet.

How do I make sure I do my best?

- Listen carefully to instructions.
- Read the instructions on the front cover of each test carefully.
- Read each test question carefully before answering it.
- Make sure you mark all of your answers on the answer sheet and not in the test booklet.
- Check that the answer you are marking matches the question number in your test booklet.
- Do not rush. If you find one question too difficult do not spend a long time on it. Leave it out but be sure you place your next answer in its right circle. Each question is of equal value.
- If you cannot decide between two answers in the multiple-choice tests, mark the letter of the answer you think is most likely correct. You may have time to go back to that question but in the meantime you have done the best you can. **No marks will be deducted for incorrect answers.**
