According to Luke Rudolf Steiner, 2001 10 lectures Basel September 15 26 1909 CW 114 Rudolf Steiner was born with clairvoyant capacities but it was not until he was forty that he could connect his inner experiences with Jesus Christ After that solemn festival of knowledge as he described it in his Autobiography Steiner received ceaseless revelations about the significance of the Christ's incarnation For the next twenty years he spoke of the hidden background to all four gospels the Book of Revelations and even what he called the Fifth Gospel read directly from the spirit worlds These lectures present the most accessible and illuminating of Steiner's revelations about the significance of the Christ for the spiritual development of humanity He discusses the link between the Buddha and the Christ which unites Buddhism and Christianity not in theory but in the spiritual activities of those two beings Steiner also describes the relationship between the Greek Mystery traditions and the Mystery of Golgotha A sign was to be placed before them as well a sign that would now be enacted before the eyes of all humankind The mystical death which had been a ceremonial act in the Mystery temples for hundreds and thousands of years would now be presented on the great stage of world history Everything that had taken place in the secrecy of initiation temples was brought into the open as a single event on Golgotha Utilizing a historical overview revealing the relationship between the great religious traditions and how they have conspired together for the good of humanity Steiner never loses sight of the Gospel's great inner meaning as echoed in the Gospel of St Luke The revelation of the spiritual worlds from the Heights and its answering reflection from human hearts brings peace to all whose purpose upon the evolving Earth is to develop good will Contents Introduction by Robert A McDermott The Four Gospels in the Light of Anthroposophy The Luke Gospel As an Expression of Love and Compassion Buddha's Contribution to Humanity Formation of the Nathan Jesus Child Contributions of the Nathan Jesus from Buddha and Zarathustra Elijah John the Baptist and Zarathustra Christ the Great Mystery of Earth Evolution Illness and Healing in Luke and in the Evolution of Consciousness Christ and Maitreya buddha Robert A McDermott's descriptive outline of Steiner's Lectures on Luke *According to Luke* Rudolf Steiner, 2001-07-01 Written in 1904 CW 9 Theosophy is a key work for gaining a solid footing in spiritual reality as described by Rudolf Steiner It is organized into four parts First Steiner builds a comprehensive understanding of human nature physical bodily nature soul qualities spirit being or I being and the higher spiritual aspects This leads us to Steiner's description of the human being as sevenfold Material physical body Ether body or body of life forces Sentient soul body Mind soul Spirit filled consciousness soul Life spirit Spirit body In the next section Steiner offers an extraordinary overview of the laws of reincarnation and the principles of karma as we pass from one life to the next This prepares us for the third section in which he shows the various ways in which we live during life on earth and after death and in the three worlds of body soul and spirit Finally we are given a succinct description of the path of knowledge along which each person can begin to understand the marvelous and harmonious complexity of the psycho-spiritual worlds in their fullness This volume is a translation of Theosophie Einf hrung

knowledge it can also change you Our lectures on the Gospel of John will have a double purpose One will be the deepening of the concepts of anthroposophy themselves and their expansion in many directions and the other will be to make this great document itself comprehensible by means of the thoughts that will arise in our souls in consequence of these deepened and expanded concepts I beg you to hold clearly in mind that it is the intention of these lectures to proceed in these two directions It should not be simply a question of arguments about this Gospel but rather that by means of the latter we shall penetrate into the deep mysteries of existence We should hold very clearly in mind how the perspective of anthroposophy must be developed when we are dealing with any of the great historical records handed down to us by the different religions of the world Rudolf Steiner lecture 1 This volume is a translation from German of Das Johannes Evangelium GA 103 Cover image The Raising of Lazarus by William Blake 1757 1827 Pencil pen ink and watercolor on paper 11 6 x 16 Aberdeen Art Gallery Scotland *From Eclipse to Apocalypse* Joel Matthew Park, Robert A. The Four Gospels Christoph Rau,2024-04-16 When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible they underpin a wretched reduction of faith Since the interest of New Testament studies shifted to philosophical details the word of the Bible was treated intellectually thus shaking the foundation of faith in many people Christoph Rau Could a deeper cause of today s myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew Mark Luke and John This is the view of Christoph Rau for whom today s prevailing approach to theological research which treats the ancient religious texts more as literary products than authentic records of spiritual experience is if anything a contributing factor in our modern alienation from the spirit In this book Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels Through clear analyses he illumines the distinctive stylistic features of each composition revealing the design principles through which the meaning and goal of each Gospel can be understood Beyond the intrinsic value of each Gospel the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre Christian religions because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion Furthermore the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien Verlag Dr Dieter Winkler 2008

The Temple Sleep of the Rich Young Ruler Edward Reaugh Smith,2011-11 Who wrote the Gospel of John The author identifies himself only as the disciple whom Jesus loved and Christian tradition tells us that this disciple was the apostle John However during the past century scholars have increasingly come to doubt that attribution In 1902 Rudolf Steiner wrote that the author of the Gospel of John was in fact Lazarus Steiner s position stemmed from his insight that Lazarus s encounter with death involved far more than people realized an initiation into higher spiritual realities that uniquely qualified him to write this gospel Edward Smith takes up this argument and shows that subsequent research has tended to favor Lazarus for reasons grounded in John s Gospel itself More important Smith shows that subsequent discoveries at Nag Hammadi and Mar Saba corroborate Steiner s reasoning about the nature of the raising of Lazarus pointing to Lazarus as the rich young ruler of Mark s Gospel *Elijah*

Come Again Robert A. Powell, 2009-03 12 lectures various cities November 19 1922 August 30 1924 CW 304a The Waldorf school movement was gaining increasing recognition by the time these public lectures on Waldorf education took place In this collection as in the previous volume Rudolf Steiner is outspoken about the spiritual nature of human beings and the world including the spiritual nature of Waldorf education Original German source Anthroposophische Menschenkunde und Pädagogik GA 304a Universal Spirituality and Human Physicality Rudolf Steiner, 2014-09-04 Our contemporaries who wish to keep to a narrow minded and superficial outlook are annoyed to find that spiritual science continually seeks the whole picture that it has to create a bridge between the body and the soul and truly explores how the psyche becomes corporeal and the body becomes psychological How do the soul and the spirit live in human physical bodies In our materialistic age in which the very existence of the metaphysical is widely rejected such questions are rarely posed let alone addressed In this exceptional series of lectures Rudolf Steiner speaks in scientific detail about the connection of the subtle aspects of human nature our soul and spirit to our physical constitution At the heart of this course are the well loved Bridge lectures which appear in English for the first time in their wider context Steiner discusses the solid fluid air and warmth bodies and how these are connected with the various ethers the I and human blood He goes on to describe how ideals and ideas impact the various aspects of the human constitution how morality is a source of world creativity with moral thinking imbuing life into substance and will Moral ideas have a positive effect he says whereas theoretical ones have a negative impact In the realm of the moral a new natural world comes into being and thus the moral order and the natural order are intertwined This volume also features Steiner's classic lecture on the Isis legend and its renewal today as divine wisdom Sophia Other themes include the mystery of Christ as the connection between the spiritual and physical sun the permeation of the life of thought with will love and permeation of the life of will with thoughts wisdom the path to freedom and love and their importance in the universe the metamorphosis of head and limbs through successive lives on earth the threefold nature of the human form head thorax limbs the threefold nature of the soul thinking feeling will and the threefold nature of the spirit waking dreaming sleeping The Reappearance of Christ in the Etheric Rudolf Steiner, 2022-03-01 Since the coming of Gautama Buddha Eastern mystics have spoken especially about a future condition when earth will be bathed in a moral etheric atmosphere Ever since the time of the ancient rishis they had hoped that this moral impulse would come to earth from Vishva Karman or from Ahura Mazda as Zarathustra proclaimed Eastern mysticism foresaw that this moral atmosphere would come to earth from the being we call the Christ Eastern mystics had set their hopes on the being of Christ Rudolf Steiner p 125 The first chapter of the Acts of the Apostles describes Christ's Ascension and a cloud received him out of their sight As the disciples were looking up two angels appeared and said the same Jesus taken up from you into heaven shall come again in the same way as you have seen him go Starting in 1910 Rudolf Steiner initiated a series of lectures announcing the advent of Christ's appearance in the sphere of the earth's etheric or life body This he said would begin between 1930 and 1940 but at first only

a few people would be aware of it In time more and more people regardless of their religious affiliation would be infused by Christ s living presence Such Damascus experiences bespeaking a new natural clairvoyance Steiner said would become increasingly common The Christ will become a living comforter Though it may seem strange now it is nevertheless true that even large numbers of people sitting together and wondering what to do will see the etheric Christ He will be there and confer with them he will cast his word into their gathering We are approaching these times when this positive constructive element will take hold of human evolution Rudolf Steiner p 122 The lectures collected here on the second coming of Christ also contain significant related issues such as spiritual science and etheric vision the etheric vision of the future the Sermon on the Mount and the land of Shambhala the etherization of the blood the mysteries of comets and the moon Buddhism and Pauline Christianity and the three realms between death and rebirth

The Language of the Consciousness Soul Carl Unger,2012-06 We re trying to get to the castle of the Wise Enchanter Michael said It s very difficult But you have found your way to the Enchanted Islands said the hermit That is the first step and that is good I can t tell you which way to go since I have no idea You see very few people have ever reached the castle itself and no one has been there since I have been here but I can tell you one thing if you keep going straight through the forest it will end At the end there are two paths One path is the Right Way The other is the Left Way One of these paths is the true way and will take you where you need to go but you can only know which is which once you have gone along the way of your choice for some time What if the Right way is the wrong way or the Left way is the right way Lauren asked It sounds confusing Yes yes of course it does But once you ve done it everything will be perfectly clear Words are disappearing from the world Something is lurking in the deepest waters devouring all the words that are no longer used No one has noticed but the world is slowly growing darker For many years no children have come to the Enchanted Islands in search of Wisdom and the Wise Enchanter is growing old Four children from the corners of the earth have been sent on a quest to rediscover each letter unlock the treasure of language and thereby grow wise Time is running out if the children do not reach the castle of the Wise Enchanter in time Wisdom and light may vanish from the world altogether

Christ and Sophia Valentin Tomberg,R H Bruce,2011-03 In these astounding meditations on the true Christian nature of the scriptures Tomberg shows how the central story of entire Bible is really a history of the Christ being He describes the cosmic and earthly preparations for the Mystery of Golgotha its significance and results for humanity and the world as a whole and the central role of the Sophia being and her relationship to the Christ the Holy Spirit the Disciples and Pentecost and all of humanity He also imagines the Grail nature of the Christ s involvement in earthly history All of Valentin Tomberg s profound studies are finally available in a single volume Drawn from four difficult to find and out of print editions this completely revised and updated text includes Tomberg s anthroposophic meditations on the Old Testament the New Testament and the Apocalypse while the appendix contains his final unfinished work The Four Sacrifices of Christ Christ and Sophia contains all of Valentin Tomberg s essential anthroposophic works on the scriptures

providing an invaluable resource for anyone who wishes to gain a deeper understanding of Rudolf Steiner's spiritual scientific approach to esoteric Christianity as revealed by a close meditative reading of the Bible from Genesis to John's Revelation. This volume contains English translations of these works by Valentin Tomberg: *Anthroposophisch Betrachtungen über das Alte Testament*, *Anthroposophische Betrachtungen über das Neue Testament*, *Geisteswissenschaftliche Betrachtungen über die Apokalypse des Johannes*. Genesis in the Light of Human Embryonic Development Kaspar Appenzeller, 2022-08-02

Dr Kaspar Appenzeller compares the biblical story of creation to human embryonic development. He leads us through his years of research into the grand imagery in the book of Genesis relating it to what today's science has to say about the origin of the human body. He reaches the concrete view that the human being is a small cosmos, a microcosm in the vast cosmos, the macrocosm. The original Hebrew language proves to be a true marvel, not only the meaning but also the individual sounds of the words illustrate the reality they describe. We are confronted with the fact that the writer of Genesis touched the true educational impulses of the world and humanity. The author based this book on the insights of Rudolf Steiner and penetrated the primal forces of human development in new ways. Steiner was able to understand documents based on ancient mystery wisdom which confirms the knowledge he gained through independent clairvoyant research without reference to documents. This study of Genesis and human development adds to our understanding of both fields. In each word the ancient text presents prophecies of future human events just as the embryo appears as a witness to primordial processes of world creation. In clear gestures, Genesis prophecies the Christ event and the path of individuality made possible by that event while the human embryo guarantees that we are predisposed to bear the spiritual power that came to earth through the event of Christ. The author does not assume the reader's specialist knowledge of either the book of Genesis or embryology. Dr Appenzeller wrote for all readers whose hearts desire deeper human knowledge.

Between Death and Rebirth Rudolf Steiner, 2021-10-28 In an absorbing series of lectures, Rudolf Steiner discloses factors in a person's life on Earth that will influence their experiences in the spiritual world after their death and conversely factors in the spiritual world that will affect their next life on Earth. Steiner focuses on the period in the afterlife when the individual has been through *kamaloka*, the purgatorial place where the soul is purified. Once the soul has been cleansed of its astral sheath, it becomes open to cosmic influences expanding into the planetary sphere. Now it can begin preparation for reincarnation for a new human life on Earth. Steiner addresses the vital relationship of the living to the dead, in particular how those on Earth can influence the souls of the dead. He also speaks on themes of Sleep and death. The seven-year life cycles of man and offers a Christmas gift in the form of a lecture on Christian Rosenkreutz and Gautama Buddha. He ends with a mighty picture of the Mystery of Golgotha. Jesus Christ's death on the cross was only seemingly a death; in reality, it enabled the momentous birth of the Earth Soul. Long out of print, the freshly revised text of the ten lectures in this new edition is complemented with an introduction, notes, and appendices by Professor Frederick Amrine and also features an index.

Christ and the Spiritual World Rudolf

Steiner, 2022-11-18 Reassessing human history in relation to the cosmic earthly events of Christ's incarnation Rudolf Steiner stresses the significance of both Gnostic spirituality and the legends of the Holy Grail The Christ Impulse he tells us is not a one time event but a continuous process beginning well before Jesus of Nazareth walked the earth This mighty impulse is a force that gives impetus to human development such as with the extraordinary blossoming of free thinking of the last two millennia Surveying this pattern of evolving human thought Steiner explains the roles of contrasting historical figures for example the great teacher Zarathustra Joan of Arc and Johannes Kepler We are shown the widespread influence of the clairvoyant prophetesses the sibyls who formed a backdrop to the Greco Roman world Steiner contrasts their revelations to those of the Hebrew prophets The lectures culminate in the secret background to the Parzival narrative Steiner illustrates how it is possible to experience the Holy Grail by reading the stellar script in the sky at Easter Here he provides a rare personal account of the processes he utilized to conduct esoteric research The new edition of these much loved lectures features a revised translation and an introduction appendices and notes by Frederick Amrine **According to Matthew**

Rudolf Steiner, 2003 12 lectures Berne September 1 12 1910 CW 123 For centuries people have been baffled by the varying accounts of Christ's life as presented in the four Gospels and have struggled to reconcile them In these profound and stimulating lectures Steiner addresses this conundrum He shows how each of the Gospels presents a different lens onto Christ's life and message Here Steiner reveals the Gospel of Matthew as the one that emphasizes Christ's humanity But he does not stop there his visionary perspective traces Christ's life and message to spiritual impulses that go back centuries even millennia to the legendary civilization of Atlantis to the mysterious Zarathustra and to the Jewish sect known as the Essenes An introduction by Richard Smoley author of Inner Christianity puts Steiner's vision into perspective for modern readers Once you have experienced Steiner's powerful exploration of Matthew you will never see the Gospels in the same way again Previous translation titled The Gospel of St Matthew READ BOBBY MATHERNE'S REVIEW OF THIS BOOK If we read Steiner's lectures with an open and attentive inner eye we may be able to see the Christ mystery not as a collection of dogmas or facts but as a spiritual impulse that stretches far beyond the limits of Christ's own time and even of the lifespan of Christianity itself We may even catch a glimpse of the high powers that govern the life of civilizations and of the great entity known as the human race Richard Smoley from the introduction According to Matthew is a translation from German of Das Matthaeus evangelium A previous translation was titled The Gospel of St Matthew *Common Worship: Times and Seasons President's Edition* Common Worship, 2013-07-15 This revised expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons Festivals and Pastoral Services and the Additional Collects **The Emotional Life of Our Lord** B.B. The Gospel St. John and Its Relation to the Other Gospels Rudolf Steiner, 1982 Beginning at the turn of the century Rudolf Steiner began to express a passionate interest in Christianity For him the event he called the Mystery of Golgotha is more than the central event of Christianity it is in fact the turning point in time for all human and earthly evolution In his Autobiography Steiner clarified his views on Christianity Some of what I said and wrote during that period 1890s seems to contradict the way I described Christianity later on This is because when I wrote the word Christianity I was referring to the teachings of a world beyond that was active in all Christian doctrines at the time The whole meaning of religious experiences pointed to a world of spirit one that was supposed to be unattainable by human intellect Whatever religion might have to say and whatever precepts for moral life it might offer arise from what is revealed to human beings from outside My own direct inner perception of spirit objected to this it wanted to experience the worlds of both spirit and the physical in perceptions of the human being and nature And my ethical individualism objected to this It rejected the external support of commandments for morality such support came instead as the result of spiritual soul development within the human being where divinity lives That was a trying time for my soul as I looked at Christianity This period lasted from the time I left the Weimar work until I wrote my book Christianity as Mystical Fact These kinds of tests are obstacles placed in one's path by destiny or karma and they must be overcome through spiritual development In these talks Rudolf Steiner offers his profound insights into the essential truths behind the Christ event as well as the historic and prehistoric events on Earth and in the spiritual worlds leading up to the turning point in time He shows that the ancient mysteries of the East the Persians the Egyptians the Greeks and the streams behind those impulses going back to Atlantis and Lemuria all lead to the event of Christ's incarnation and the Mystery of Golgotha through which the Earth became the body of Christ Further Steiner talks about what those events mean for the future of humanity and the Earth

The Gospel of St John and Its Relation to the Other Gospels is an essential document in the literature of Christology and for understanding the central place of esoteric Christianity in Anthroposophy The essential topics discussed in these lectures The Christians of St John the rebirth of the higher I in individuals and in humanity The living spiritual history the leaders of humanity the creative Word The transformation of Earth the prototypes of created types the servants of the Word The hierarchies of our solar system and the kingdoms of the Earth Human development during the incarnations of our Earth the kingdom of the luciferic and ahrimanic spirits and the kingdom of the divine spiritual beings The Atlantean oracles post Atlantean sanctuaries of initiation the baptism by John The baptism with water and the baptism with fire and spirit The Mysteries of initiation rebirth through Jesus Christ The artistic composition of the Gospel of St John the climax of power in the signs and miracles Events at the baptism by John Christ's mastery over the laws of the skeletal structure and the conquest of death The establishment of harmony in the inner forces of human beings through the Christ impulse the connection between the ancient mysteries and
