Professional Memoirs, Corps of Engineers, United States Army and Engineer Department at Large ,1914

The Mexican War Elizabeth R. Snoke,1973 *The Organizational History of Field Artillery 1775-2003* Janice E.

McKenney,2007 **Senate Documents, Otherwise Publ. as Public Documents and Executive Documents** United States. Congress. Senate,1851 **The organizational history of field artillery 1775-2003 (Hardcover)** Janice E.

McKenney,2007 *The Organizational History of Field Artillery 1775 2003* traces the evolution of one of the U S Army s premier combat arms field artillery the King of Battle Janice E McKenney s study is a systematic account of the organization of artillery units both field and coast until their separation in the early twentieth century and then field artillery alone until 2003 Tracing the development of one of the Army s most complex arms the author highlights the rationale behind each major change in the branch s organization weapons and associated equipment and lays out for all field artillery soldiers the rich heritage and history of their chosen branch The work also complements the forthcoming revised edition of the lineage volume *Field Artillery* **Inventing Texas** Laura Lyons McLemore,2004-02-11 Bluebonnets and tumbleweeds gunslingers and cattle barons all form part of the romanticized lore of the state of Texas It has an image as a larger than life land of opportunity represented by oil derricks pumping black gold from arid land and cattle grazing seemingly endless plains In this historiography of eighteenth and nineteenth century chronologies of the state Laura McLemore traces the roots of the enduring Texas myths and tries to understand both the purposes and the methods of early historians Two central findings emerge first what is generally referred to as the Texas myth was a reality to earlier historians and second myth has always been an integral part of Texas history Myth provided the impetus for some of the earliest European interest in the land that became Texas Beyond these two important conclusions McLemore s careful survey of early Texas historians reveals that they were by and large painstaking and discriminating researchers whose legacy includes documentary sources that can no longer be found elsewhere McLemore shows that these historians wrote general works in the spirit of their times and had agendas that had little to do with simply explaining a society to itself in cultural terms From Juan Agustin Morfi s *Historia* through Henderson Yoakum s *History of Texas* to the works of Dudley Wooten George Pierce Garrison and Lester Bugbee the portrayal of Texas history forms a pattern In tracing the development of this pattern McLemore provides not only a historiography but also an intellectual history that gives insight into the changing culture of Texas and America itself Early Texas historians came from all walks of life from priests to bartenders and this book reveals the unique contributions of each to the fabric of state history A must read for lovers of Texas history *Inventing Texas* illuminates the intricate blend of nostalgia and narrative that created the state s most enduring iconography Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection,1972 Special Bibliography ,1973 **Alumni Record of Wesleyan University, Middletown, Conn** Wesleyan University (Middletown, Conn.),1883 The Mexican War:

A Military History Research Collection Bibliography ,1973 This bibliography differs from the previous publications in this series since it concerns a specific time in American history the Mexican War period from 1835 to 1850 From a military standpoint the victorious efforts of American military forces can be considered as the proving ground for the Army and the Navy that emerged during the Civil War The annexation of Texas and the acquisition of lands from Mexico predestined both the expansion of the United States to the Pacific and the conflict which divided brother from brother This bibliography lists pertinent materials to be found in the Military History Research Collection related to this part of American history and is not intended to be a definite listing of bibliographic references on the period **The War with Mexico, 1846-1848** Henry Ernest Haferkorn,1914 **Alumni Record of Wesleyan University, Middletown, Conn** ,1883 **Special Bibliographic Series** US Army Military History Research Collection,1973 *Annual Report of the Board of Regents of the Smithsonian Institution* Smithsonian Institution. Board of Regents,1850 Annual Report of the Board of Regents Smithsonian Institution,1850 **Annual Report of the Board of Regents of the Smithsonian Institution, Showing the Operations, Expenditures, and Conditions of the Institution for the Year** Smithsonian Institution. Board of Regents,1851 **Subject Catalog of the Military Art and Science Collection in the Library of the United States Military Academy** United States Military Academy. Library,1969 *Sale* Anderson Galleries, Inc,1920 *Dictionary Catalog of the History of the Americas* New York Public Library. Reference Department,1961 *Special Bibliography* ,
