Execution Larry Bossidy, Ram Charan, Charles Burck, 2009-11-10 1 NEW YORK TIMES BESTSELLER More than two million copies in print The premier resource for how to deliver results in an uncertain world whether you're running an entire company or in your first management job A must read for anyone who cares about business The New York Times When *Execution* was first published it changed the way we did our jobs by focusing on the critical importance of the discipline of execution the ability to make the final leap to success by actually getting things done Larry Bossidy and Ram Charan now reframe their empowering message for a world in which the old rules have been shattered radical change is becoming routine and the ability to execute is more important than ever Now and for the foreseeable future Growth will be slower But the company that executes well will have the confidence speed and resources to move fast as new opportunities emerge Competition will be fiercer with companies searching for any possible advantage in every area from products and technologies to location and management Governments will take on new roles in their national economies some as partners to business others imposing constraints Companies that execute well will be more attractive to government entities as partners and suppliers and better prepared to adapt to a new wave of regulation Risk management will become a top priority for every leader *Execution* gives you an edge in detecting new internal and external threats and in weathering crises that can never be fully predicted *Execution* shows how to link together people strategy and operations the three core processes of every business Leading these processes is the real job of running a business not formulating a vision and leaving the work of carrying it out to others Bossidy and

Charan show the importance of being deeply and passionately engaged in an organization and why robust dialogues about people strategy and operations result in a business based on intellectual honesty and realism With paradigmatic case histories from the real world including examples like the diverging paths taken by Jamie Dimon at JPMorgan Chase and Charles Prince at Citigroup Execution provides the realistic and hard nosed approach to business success that could come only from authors as accomplished and insightful as Bossidy and Charan Self-Handicapping Leadership Phillip J. Decker, Jordan Paul Mitchell, 2015-11-12 Every day millions of employees watch their leaders sabotage themselves They watch they learn and then they do it too Next thing you know everyone s lost motivation and nobody takes ownership That s how organizations fail This book will help you break the vicious cycle of self handicapping leadership in your organization stop the excuses and unleash all the performance your team is capable of delivering Phil and Jordan reveal how and why people handicap themselves even when they know better Next they offer real solutions from their own pioneering research and consulting You ll find practical ways to strengthen accountability and self awareness recognize the big picture improve decision making deepen trust and engagement develop talent escape micromanagement and focus relentlessly on outcomes Your colleagues can be far more effective and so can you In fact it starts with you right here right now with this book Many leaders inadvertently create cultures of failure They model and promote selfhandicapping actions where people withdraw effort or create new problems in order to maintain their own self images of competence Self Handicapping Leadership shines the spotlight on this widespread and destructive phenomenon and presents real action plans for overcoming it **No Bullsh!t Leadership** Martin G. Moore, 2021-09-28 What makes a truly exceptional leader Discover the practical fail proof tools that will help you to fine tune your leadership skills solidify respect among your workforce and ensure your company s lasting success When Martin G Moore was asked to rescue a leading energy corporation from ever increasing debt and a lack of executive accountability he faced an uphill battle Not only had he never before stepped into the role of CEO he also had no experience in the rapidly evolving energy sector Relying on the practical leadership principles he had honed throughout his thirty three year career he overhauled the company s culture redefined its leadership capability and increased earnings by a compound annual growth rate of 125 percent In No Bullsh t Leadership Moore outlines these proven leadership principles in a clear direct way He sweeps away the mystical fog surrounding leadership today and lays out the essential steps for success Moore combines this tangible advice with honest real world examples from his own career to provide a no nonsense look at the skills a true leader possesses Moore s principles for no bullshit leadership focus on Creating value by focusing only on the things that matter most Facing conflict adversity and ambiguity with decisiveness and confidence Setting uncompromising standards for behavior and performance Selecting and developing great people Making those people accountable and empowering them to do their best Setting simple value driven goals and communicating them relentlessly Though the steps aren t easy they are guaranteed if implemented to lift your leadership and your organization to a higher level Wherever you

are in your career No Bullsh t Leadership will help you develop the skills and form the habits needed to become a no bullshit leader
