## **Accounting Business Reporting For Decision Making:**

**Accounting: Business Reporting for Decision Making, 7th Edition** Jacqueline Birt, Keryn Chalmers, Suzanne Maloney, Albie Brooks, Judy Oliver, David Bond, 2020-01-21 The seventh edition of Birt's Accounting textbook is designed for the core accounting unit in a business or commerce degree. Many students who plan to major in soft side disciplines such as marketing or human resource management need a clear and accessible text that emphasises the relevance of accounting to business. The Accounting interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Ernst Young, animated work problems and questions with immediate feedback. Birt's unique resource can also form the basis of a blended learning solution for lecturers.

Accounting Jacqueline Birt, 2007-11-27 Accounting Business Reporting for Decision Making Second Edition is written for students who are required to complete a one semester unit on introductory accounting. The text covers the basic principles of financial accounting, management finance as well as an introduction to ethics in business and corporate governance. The focus of the new edition is on the application and interpretation of business reports and how the accounting information is used in business decision making processes. The text emphasises the conceptual application of accounting and accounting information, providing clear explanations and applications so students appreciate the significant role of accounting information to all business environments. **NEW TO THE SECOND EDITION** New chapter on performance management. Two new chapters on Budgeting and Cost Volume Profit. New content on corporate governance and ethics. Completely new design will engage students with subject. **FEATURES** Develops the user decision making approach by including a number of illustrative examples, extracts from the financial media and applications throughout the chapters. Update to date coverage of external influences such as professional regulation, CLERP and Corporations Act and the impacts to business. Early position of a chapter on ethics, governance and stakeholders reinforces to students early in their learning the importance and ramifications of sound decision making. **Reality Check** A chapter vignette that links the content of the chapter and concepts discussed to real world business applications. **Learning Checkpoints** Positioned at the end of each main chapter section. **Learning Checkpoints** list the key issues and processes presented in the chapter to that point. An easy to identify self learning feature. **Illustrative examples** Positioned strategically throughout all chapters they present examples with worked solutions that enhance student understanding of the concepts outlined in the chapters. **Self Test Activities** Positioned at the end of each chapter they present a number of worked exercises and solutions that will build student confidence and conceptual understanding of the processes outlined in the chapter before they move on to attempt the end of chapter exercises and problems. **ABOUT THE AUTHORS** Jacqueline Birt is a lecturer in Accounting at the Australian National University.
