Section 404 of the Act requires management to assess and report on the effectiveness of internal control over financial reporting. It also requires that an independent auditor attest to management's assessment of the effectiveness of those controls. Efforts to reduce the costs while retaining the effectiveness of compliance resulted in a series of reforms in 2007. This report presents an analysis of data from publicly traded companies collected from a survey of financial executives with Section 404 experience. *Charts* This is a print on demand report. **Accounting Information Systems** Gelinas, Oram, Wiggins, 1993-01-01. **Accounting Information Systems** Leslie Turner, Andrea Weickgenannt, Mary Kay Copeland, 2017.
