Introduction to Managerial Accounting Peter C. Brewer, Ray H. Garrison, Eric W. Noreen, Norma R. Montague, 2024
Brewer's Introduction to Managerial Accounting has earned a reputation as the most accessible and readable book on the market while leveraging assets from the Garrison Managerial Accounting franchise. Its manageable chapters and clear presentation point students toward understanding just as the needle of a compass provides direction to travelers.

Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16
Black white print Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading planning, organizing, and controlling approach. Management is a broad business discipline and the Principles of Management course covers many management areas such as human resource management and strategic management as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

Speaking PowerPoint Bruce R. Gabrielle, 2010
You use PowerPoint at work to create strategic plans, executive briefings, research reports, and other boardroom style slides. But could your slides be clearer, more convincing, and built in half the time? You bet. Learn a new method for business managers who want to use PowerPoint at work to drive strategy. The Mindworks Presentation Method is based on 40 years of research in brain science, instructional design, and information design and will help you to eliminate time wasters and complete PowerPoint decks three times faster to enhance your credibility by creating visually pleasing slides using simple graphic design rules to make complex slides easier to understand and avoid "Death by PowerPoint" forever to make audiences more likely to agree with you by applying the proven principles of master persuaders.

Management Accounting James T. Mackey, Michael F. Thomas, 1999
Through the narrative device of the challenges faced by a fictitious family owned small business, a relatively non-technical treatment is presented of how accounting can save the day when it comes to creating value, developing cash budgets, proformas, motivating through accounting information, and managing the improvement process via decision focused management using the theory of constraints and capital budgeting. Includes chapter end reading lists and a glossary of key terms. Mackey is based at California State U Sacramento and Thomas is with the U of Nevada Reno.

Histopathology Techniques and Its Management Ramadas Nayak, 2017-12-31
This book is a complete guide to histopathology techniques for trainees. Beginning with an introduction to tissue examination, the next chapters discuss fixation and fixatives, tissue processing and embedding, decalcification, microtomy and section cutting, and frozen section and cryostat. The following sections cover different staining procedures, immunohistochemistry, and automation in histopathology, concluding with chapters on biological waste management and quality management. Each chapter includes a self-assessment exercise with short notes and answers, and the comprehensive text is further enhanced by nearly 350 clinical photographs, diagrams, and tables. Key points.
