Philadelphia's Germans Richard N. Juliani, 2021-10-21 In Philadelphia's Germans From Colonial Settlers to Enemy Aliens Richard N. Juliani examines the social cultural and political life along with the ethnic consciousness of Philadelphia's Germans from their participation in the founding of the colony of Pennsylvania to the entry of the United States into World War I. This book focuses on their paradoxical transformation from loyal citizens who made great contributions as they became increasingly Americanized to a people viewed as a foreign threat to the safety and security of the city and nation. It also considers the policies and treatment of government and views of the local press in reporting and interpreting the dilemma of German Americans during the transition.

Stealing Wyeth Bruce E. Mowday, 2019-08-07 Andrew Wyeth was one of the best known American artists in the world in the 20th century with his works including the Helga series being sought after by serious art collectors worldwide. His father N. C. and son Jamie are integral parts of the best known American family of artists. A gang of thieves decided to steal an original Wyeth painting for their retirement and engaged a professional cat burglar who was responsible for more than 1,500 crimes during his criminal career to steal a Wyeth painting. The theft resulted in 15 paintings being taken from the Wyeth estate in picturesque Chadds Ford, Pennsylvania. The search for the paintings takes the investigators throughout the United States and involves dangerous thieves, gamblers, drug dealers, and murderers. In the process of tracking down the thieves and the paintings, hundreds of other crimes were solved.

Fire Vision Nancy C. Folk, 2019-07-08 Entwined in a labyrinth of distortion, illusion, and delusion, a young woman's reality is drastically altered when her true identity is revealed in a moment of stunning hostility. Unraveling the web of the past, she discovers core-shaking truths but also strength in the most improbable person and path. *Fire Vision* is a uniquely engulfing narrative of discovery, metamorphosis, and a vigorous battle for wellness. A new life beckons for one named Ebba, but the shadows of the past are relentlessly inescapable. In the midst of them, she finds herself and the greatest disguised heroine whom she set out to save, yet in the end, is saved by her. For anyone, especially youth and young adults, facing struggles and seemingly unsurmountable barriers in life, *Fire Vision* is a tale of strength, resiliency, and empowerment. A thriving, sustainable, victorious life is its testimony.
