Timeless Heritage, 1988 *Property* Thomas W. Merrill, Henry E. Smith, 2007 This revised casebook is designed for a building block property course that serves as a student's foundation for the rest of law school and beyond Avoiding the typical hodgepodge of issues the book presents material in an integrated way starting with the central role of exclusive in rem rights in property and systematically developing elaborations exceptions and counterfoils to this idea using vivid cases both old and new Timely issues in intellectual property mortgages and regulatory takings as well as traditional topics like equity and restitution are given expansive treatment The emphasis throughout is on fundamental principles and policy questions Publisher's website

Red Hot Lies Christopher C. Horner, 2008-11-11 Liars Al Gore the United Nations the New York Times The global warming lobby relentless in its push for bigger government more spending and more regulation will use any means necessary to scare you out of your wits as well as your tax dollars and your liberties with threats of rising oceans deadly droughts and unspeakable future consequences of climate change In pursuing their anti energy anti capitalist and pro government agenda the global warming alarmists and unscrupulous scientists who see this scare as their gravy train to federal grants and foundation money resort to dirty tricks smear campaigns and outright lies abandoning scientific standards journalistic integrity and the old fashioned notions of free speech and open debate In *Red Hot Lies* bestselling author Christopher Horner himself the target of Greenpeace dirty tricks and alarmist smears exposes the dark underbelly of the environmental movement Power hungry politicians blacklist scientists who reject global warming alarmism U S senators threaten companies that fund climate change dissenters Mainstream media outlets openly reject the notion of balance The occasional unguarded scientist candidly admits the need to twist the facts to paint an uglier picture in order to keep the faucet of government money flowing In the name of saving the planet anything goes But why the nasty tactics Why the cover ups lies and intimidation Because Al Gore and his ilk want to use big government at the local state federal and global level to run your life and they can brook no opposition But the actual facts as *Red Hot Lies* makes clear aren't nearly as scary as their fiction
