The Weather Machine Andrew Blum,2019-06-25 From the acclaimed author of Tubes a lively and surprising tour through the global network that predicts our weather the people behind it and what it reveals about our climate and our planet The weather is the foundation of our daily lives It s a staple of small talk the app on our smartphones and often the first thing we check each morning Yet behind all these humble interactions is the largest and most elaborate piece of infrastructure human beings have ever constructed a triumph of both science and global cooperation But what is the weather machine and who created it In The Weather Machine Andrew Blum takes readers on a fascinating journey through the people places and tools of forecasting exploring how the weather went from something we simply observed to something we could actually predict As he travels across the planet he visits some of the oldest and most important weather stations and watches the newest satellites blast off He explores the dogged efforts of forecasters to create a supercomputer model of the atmosphere while trying to grasp the ongoing relevance of TV weather forecasters In the increasingly unpredictable world of climate change

correctly understanding the weather is vital Written with the sharp wit and infectious curiosity Andrew Blum is known for The Weather Machine pulls back the curtain on a universal part of our everyday lives illuminating our changing relationships with technology the planet and our global community **The Climate Chronicles** Joe Bastardi,2018 Bastardi s love for the weather and climate drove him to write The Climate Chronicles an expose of the true climate change agenda By drawing on many of the over 150 blogs and articles he has written on the matter he shows how weather and climate are being weaponized politicized and in reality distorted by academia media and even religious leaders to advance a cause that is counter to our nation s best interests A must read for anyone that loves weather and climate and the freedoms that are being attacked in our country today and is curious enough to question what they are being told
