cannibals who valued treachery through fattening victims with friendship before the slaughter God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology The peace child became the secret to unlocking a value system that had existed through generations This analogy became a stepping stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within With an epilogue updating how the gospel has impacted the Sawi people this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us **Choice Stories**
