There is also a complete alphabetical index to the words in the list. A learner who knows all or most of these 10,000 words can be regarded as competent in Russian for all normal purposes. Payola! Gerry Cagle, 1989 The author, who is an award-winning programme director in the radio industry, has used this medium as a backdrop for this gripping novel. The story centres around Bobby Holiday, Vice-president in charge of programming for a large radio company whose body is found in a Los Angeles hotel room. Local police call the death a suicide. The FBI become involved, and it transpires that he had been receiving cash payments in return for playing certain records. He was deep in debt, a gambler, and a habitual user of drugs.
